Carnegie Mellon University
Undergraduate Economics

Tepper Senior Honors Program in Economics

Application Form for 2013-2014 AY

Full Name (please print):
Andrew ID:
Primary Major Degree:

ELIGIBLITY

To be eligible for entry into the Tepper Senior Honors Program in Economics, you must fulfill all of the following requirements:

1) Have a primary major or dual degree major in Economics;
2) Be officially classified as a senior by having completed a minimum of 238 units before beginning the year-long project;
3) Have a cumulative QPA* of at least a 3.50, and at least a 3.50 in the required courses for either the B.A. in Economics, B.S. in Economics, B.S. in Economics and Statistics, or B.S. in Economics and Mathematical Sciences;
4) Have passed Fundamentals of Statistical Modeling (73-407), Econometrics (73-363), or Modern Regression (36-401);
5) Meet with Dr. Goldburg;
6) Apply for a SURG award if you are submitting a budget. If you don't receive an award, you will not be adversely effected;
7) Find a faculty member willing to supervise your project advisor and serve in the role as thesis/project advisor. Please note that the only faculty eligible to be an advisor are members of the Undergraduate Economics Program or its affiliated faculty;
8) Return this application by 12 April 2013 to the U/G Economics Program Office or send by e-mail to econprog@andrew.cmu.edu. Please attach a copy of your most recent Carnegie Mellon Audit to this application. Transfer students, should include a transcript from your previous college/university.

THESIS TOPIC

Writing a Tepper Senior Honors Thesis in Economics is an opportunity for qualified students to explore a topic in economics over an extended period of time (two terms). This process of intellectual inquiry and knowledge creation culminates in a thesis and public presentation.

At this point, you are not expected to have a highly defined research agenda. Nevertheless, in the space provided on the next page, please provide whatever level of detail is possible about the topic you wish to research. Feel free to attach additional pages. Your anticipated advisor needs to sign off on this proposal.
