#### **EVENTS**

The annual skating party was held Wednesday, March 2, at the Schenley Park Rink. Despite the cold weather, attendance was solid and everyone seemed to have a great time.

This is the time of year when admitted applicants may choose to visit the school before deciding to accept our offer of admittance. Whenever their schedules permit, we will be trying to have these candidates attend the 'Afternoon Tea at Tepper' in the PhD Lounge.

Plans are already underway for this year's PhD Student and Faculty Picnic, which is tentatively scheduled for Friday, September 2. We will of course have more details as the date approaches.
