MBA Application Instructions  
Fall 2018

**TIP** If your uploaded transcript doesn’t include all the required information, you will be contacted to send the missing items and your application will be delayed.

**TIP** Official transcripts (those sent directly by the degree granting institution) are not required during the application process. Should you be admitted, you will be required to submit official transcripts at a later date.

**OFFICIAL TEST SCORES**

You will need to take the GMAT or GRE before submitting your application. You must request that the official score be sent from the testing agency to our program in order for us to verify the score entered into the application. Your application will not be reviewed using an unofficial score report that you uploaded. Official test scores take approximately 10 business days to be sent to the institutions you selected, so be sure to time your test so that we receive your official score report by the application deadline.

**TIP** Scores are valid for five years and must be valid at the time you submit your application.

**TIP** If you have taken the GMAT/GRE more than once, report the highest score when completing the online application.

Request that the official score be sent to us using the following codes:

**Graduate Management Admissions Test (GMAT) Program Codes**

- Full-Time MBA: 69H-XH-99
- Part-time On-Campus MBA: 69H-XH-02

**TIP** Scores are valid for two years and must be valid at the time you submit your application.

You must request that the official score be sent from the testing agency to our program in order for us to verify the score entered into the application. Request that the official score be sent to us using the following codes:

**TOEFL Program Code**: Institutional Code = 2074; Departmental Code = 02

You are required to take a TOEFL or IELTS exam unless:

**TIP** If you earned a degree from a non-U.S. institution, your academic documents should state that the sole language of instruction was English in order to be eligible for a TOEFL/IELTS waiver. If your academic documents don’t include this, you should upload an official letter from the University Registrar indicating English as the mode of instruction for the entirety of the degree.

Additional information on the TOEFL can be found at [www.ets.org/toefl](http://www.ets.org/toefl) or the IELTS at [www.ielts.org](http://www.ielts.org).

You may also submit an optional essay to add information that you do not feel is adequately covered elsewhere in the application. If you believe your credentials and essays represent you fairly, you should not feel obligated to complete the optional essay.

PROFESSIONAL RECOMMENDATION
One Recommendation from a professional relationship is required. Choose a recommender who knows you well and is able to provide specific and relevant information about your professional relationship.
Prior to submitting your application, you will input your recommender’s contact information in the online system.

TIP While you will complete the recommendation section of the application prior to submitting, aim to have your recommender submit their recommendation within a week of the application deadline. This is important because your application will not be forwarded the Admissions Committee until the recommendation is received.
